

**PROJECT DESCRIPTION**

This major bridge preservation project estimated at \$40-42 million was awarded to the Joseph B. Fay Company of Tarentum, PA for a bid price of \$28,488,960.23. The project will include the painting of the entire superstructure, steel repairs, bearing replacements, substructure repairs, light pole replacements and a concrete overlay.

Traffic will be crossed over and maintained on the bridge that carries Route 2085 over the Monongahela River in the City of Pittsburgh. Various overnight and weekend ramp and lane closures and possible detours will occur on several roadways in the area of the bridge. Construction will conclude in early 2017.
